

**PRESS RELEASE**  
**BSNL announces attractive offers for Landline customers**  
**New Delhi, 16<sup>th</sup> August 2016**

For the benefit of its Landline customers, BSNL has introduced unlimited free calling on all Sundays from its Landline phones to all service providers' network w.e.f. 15<sup>th</sup> August 2016. This scheme shall be available to all existing and new BSNL Landline customers without any additional cost. Under this offer all major Landline plans of Rural & Urban areas and all Broadband plans are covered.

Now all BSNL Landline customers can make unlimited calls to all their near & dears on all Sundays anywhere in India to all networks without any additional cost. This unlimited free calling on all Sundays is in addition to Free calling during Night hours (From 9 P.M. to 7 A.M.) already being offered by BSNL to its all Landline & Broadband customers.

For attracting new customers, BSNL has also introduced a promotional offer in which new customers can avail BSNL landline services at a very nominal price of Rs. 49/- per month only.

Under this scheme, Fixed Monthly Charges of Rs. 49/- shall be charged for first six months. After expiry of six months period, the customer shall be charged as per the Fixed Monthly Charges of General plan in respective area.

It is expected that above schemes shall help to popularize BSNL landline service and promote landline usage. BSNL also offers reliable high speed Broadband services over its landline network.

New Landline phone can be subscribed by visiting nearest BSNL customer service centre or by calling Toll Free number- 1800 345 1500. More details in this regard can be obtained by visiting BSNL website [www.bsnl.co.in](http://www.bsnl.co.in)

**PRESS RELEASE**

**Upgradation of Speed & Data in Broadband Plans**

**New Delhi, 16<sup>th</sup> August 2016**

In a series of offering customer friendly schemes for the benefits of customers, BSNL has upgraded the Broadband speed to minimum 1 Mbps after High speed FUP (Fair Usage Policy) Quota **at no additional cost** for all concerned existing BSNL Broadband customers (who are under BB plan of post FUP speed of 512 Kbps) on PAN-India Basis from 1<sup>st</sup> August 2016.

The scheme is available to all the concerned existing and new Broadband customers of BSNL. Under this scheme, BSNL has upgraded the speed of existing Broadband plans after FUP Quota from 512 Kbps to 1 **Mbps**. In addition to this, BSNL has handsomely increased pre FUP data limit across different Broadband plans. This upgradation shall enhance customer experience towards BSNL Broadband services. Details of the plans are available on website [www.bsnl.co.in](http://www.bsnl.co.in).

New Broadband connection can be subscribed by contacting on Toll Free no. 1800-345-1500 and by visiting the corporate website [www.bsnl.co.in](http://www.bsnl.co.in)
