Subject:- Timely submission of Claims to O/o CCAs, DOT – Regarding.

It has come to notice that the Circles are not submitting the claims of pay and allowances of BSNL employees deputed to CCA Offices regularly, due to which huge amount is pending for reimbursement from DOT.

The audit has also objected on accumulation of huge outstanding balance reflecting in the accounts of BSNL, which is still to be recovered from DOT. In view of the above, the circles are requested to raise the claim regularly to concerned CCA office for reimbursement of pay and allowances. The circles are also requested to take up the case with the concerned CCA offices for timely reimbursement of pay and allowances and other benefits to BSNL employees deputed to CCA offices.

The matter may be treated as most immediate.
