D.O. No: BSNLCO-EB-1/11(11)/8/2020-ESTAB

Dated: 16th Sep, 2020

Dear Shri

BSNL Corporate Office has been requesting all BSNL Circles / field Units to take up the settlement of various pending issues in respect of retired employees under BSNL VRS-2019 on priority. These issues included calculation of Ex-gratia in respect of VC withheld cases, cases pending due to verification of caste certificates, cases pending for issue of Presidential Orders for absorption in BSNL, updation of service particulars in ERP system- last pay drawn, length of qualifying service, Date of Birth, Date of appointment and grant of EPP / NEPP upgradations which were due prior to their retirement etc.

2. These issues were required to be completed as per instructions of Corporate Office specifying the respective deadlines for completion of each issue. It is expected that the necessary actions for completion of these issues would have been taken. It is important to bring to your notice that these issues have direct bearing on the amounts of Ex-Gratia, Leave encashment and calculation of arrears / over-payment in respect of the retirees. However, in case some issues are still pending, it is requested that the same may be completed on top priority latest by 21.09.2020.

3. In view of the importance of finalization of these issues for settlement of retiral benefits, it is reiterated that these pending activities must be completed on top priority so that total Ex-Gratia is calculated accurately before the payment of 4th installment of Ex-Gratia and there is no mismatch in the PPO data and ERP data. In case of any discrepancy, the concerned circle will be held responsible.

With regards,

16.9.2020

Respected All,

It is to bring in kind notice that Circles/units have not updated the Last Pay Drawn/Basic Pay, Date of Appointment, Date of Birth, Training Dates, TSM period, etc in master data (different info types in ERP) of VRS-2019 optees in ERP in cases of discrepancies/corrections required in accordance with data verified & PPO issued by CCAs despite repeated reminders through mail to circles.

It is requested to kindly provide the consolidated list of VRS-2019 optees whose data RE VERIFICATION is required to be done in ERP VRS Module to correct the LPD, Qualifying service, addition/deletion/modification of Non Qualifying service, TSM period & Training period, etc. to revise the amount of Ex gratia already sanctioned as per objections of CCAs or to match the data verified by BSNL & CCAs for all purpose after issuance of PPO & verification of data by CCAs. Therefore, kindly prepare the Consolidated List (Not in bits & pieces) of entire Circle in co-ordination with HR-Admin, containing details of such VRS-2019 optees and submit to Core team through PIS to Mr. Anand Kumar (HCM-L3) immediately for allowing RE VERIFICATION in VRS Module for such cases.

It may be noted that Ex-gratia Revision Process (also Leave Encashment Revision Process) & Sanction process for 4th & Final Installment of Ex-gratia is already available in ERP but for the want of above mentioned actions on the part of Circles, the process of re verification of data (to revise the amount of Ex-gratia) and to sanction 4th & final installment of Ex-gratia for all VRS-2019 optees could not be started.

It is therefore requested to kindly take up the matter with utmost priority so that sanction process of 4th & final installment of Ex-gratia may be completed asap and accordingly payment of correct & verified balance amount of Ex-gratia may be processed being full & final payment of Ex-gratia this time as 4th installment as per instructions of BSNL Corporate Office.
